30.10.19

This image shows a blank, aged, light-colored page, likely an endpaper or flyleaf from an old book. The paper has a mottled, textured appearance with various small dark spots and larger areas of discoloration, suggesting significant wear and age. A prominent dark circular stain is visible near the bottom center. The page is otherwise empty of any text or markings.

This image shows a blank, aged, light-colored page, likely an endpaper or flyleaf from an old book. The paper has a mottled, textured appearance with various shades of gray and white, indicating significant wear, discoloration, and possibly mold or foxing over time. There are several dark, irregular spots and marks scattered across the surface. A prominent dark, circular mark is visible near the bottom center, and another smaller, dark, irregular mark is located near the bottom right corner. The page is framed by dark borders on the left and right sides, which appear to be the edges of the book's binding or the scanner's frame.
